

PROUDLY GROWN IN EGYPT & RECOGNIZED WORLDWIDE

Since it was established in 1989, Wadi Food has become a leading Egyptian brand of harvested foods, serving local and global consumers with a commitment to innovation and quality.

Wadi Food's olive groves are located in Egypt's pristine desert. The crops are irrigated from pure underground aquifers far from any source of pollution.

Wadi Food offers a wide range of premium quality products including Olive Oil, Green Olives, Kalamata Olives, Natural Black Olives, Ripe Black Olives, Tomato Paste and Fava beans. Its products are packaged in a variety of containers to serve the needs of its customers worldwide.

From our Land to the Global Market

Technology, Quality & Customer Satisfaction

We invest in the latest production technologies to offer custom-made and innovative products under the strict international quality specifications with special care to natural resources and environment.

Backed by scientific precision and rigorous quality assurance guidance, Wadi Food aims to satisfy the qualitative demands of its customers and provides new products that will satisfy their changing needs.

Export Markets

Wadi Food is a leading Egyptian table olives processor, exporting a diversified product range in bulk and in Retail packages (with Private Label), supplying customers with superior quality products of high value. Today, our premium quality products can be found on the shelves of more than 28 countries over the world.

Our National Goal is

"To be the favored Egyptian Supplier of Quality Packaged Food to Consumers & Customers serving Egypt & international Markets with a commitment to Excellence & a drive to lead
